A graphic consisting of a spiral of concentric, slightly curved lines. The lines alternate between a vibrant pink and a light beige color, creating a hypnotic, swirling effect that draws the eye towards the center. The spiral starts from a small beige circle in the middle and expands outwards, with the lines curving inwards as they spiral.

The image features a background with a yellow-to-white gradient. Overlaid on this are several jagged, overlapping shapes in shades of red and purple. The shapes are arranged in a way that creates a sense of depth and movement, resembling a stylized waveform or a series of peaks and valleys. The word "excitation" is centered at the bottom in a bold, black, sans-serif font.
